STRATEGY SESSION INVITE SCRIPT & TEMPLATE

Use this script and template to invite prospects to your strategy sessions.

Strategy Session Invite Example:

"I'd be happy to have a Biz Acceleration Session with you. This is a service that we offer that helps you identify the five things that may be holding you back in your business, and the #1 thing you need to move you forward. Would you like to schedule that/would you like me to call you tomorrow and we can schedule that?"
